Song Lyrics of “Set Fire to the Rain”

*“I let it fall, my heart,
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me*

*My hands, they're strong
But my knees were far too weak,
To stand in your arms Without falling to your feet*

*But there's a side to you
That I never knew,
never knew.*

*All the things you'd say
They were never true,
never true,
And the games you play
You would always win,
always win.*

*But I set fire to the rain,
Watched it pour as I
touched your face,
Well, it burned while I cried
'Cause I heard it screaming out your name,
your name!*

*When I lay with you
I could stay there Close my eyes
Feel you here forever
You and me together Nothing gets better*

*'Cause there's a side to you
That I never knew,
never knew,
All the things you'd say,
They were never true,
never true,
And the games you'd play
You would always win,
always win.*

But I set fire to the rain,

*Watched it pour as I touched your face,
Well, it burned
while I cried
'Cause I heard it screaming out your name,
your name!*

*I set fire to the rain
And I threw us into the flames
When it fell, something died*

*'Cause I knew that that was the last time,
the last time!*

*Sometimes I wake up by the door,
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you.*

*I set fire to the rain,
Watched it pour as I touched your face,
Well, it burned while I cried
'Cause I heard it screaming out your name, your name*

*I set fire to the rain,
And I threw us into the flames
When it fell, something died*

*'Cause I knew that that was the last time,
the last time, ohhhh!
Oh noooo Let it burn, oh
Let it burn Let it burn"*

Song Lyrics "Rolling in the Deep"

*"There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare
See how I leave with every piece of you
Don't underestimate the things that I will do*

There's a fire starting in my heart

Reaching a fever pitch
And it's bringing me out the dark
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand
(You're gonna wish you never had met me)
And you played it, to the beat
(Tears are gon
Baby, I have no story to be told
But I've heard one on you
And I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there
As mine sure won't be shared

(You're gonna wish you never had met me)
The scars of your love remind me of us

(Tears are gonna fall, rolling in the deep)
They keep me thinking that we almost had it all
(You're gonna wish you never had met me)
The scars of your love, they leave me breathless
(Tears are gonna fall, rolling in the deep)
I can't help feeling
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand
(You're gonna wish you never had met me)
And you played it, to the beat
(Tears are gonna fall, rolling in the deep)
We could have had it all
Rolling in the deep
You had my heart inside of your hand
But you played it, with a beating

Throw your soul through every open door (woah)
Count your blessings to find what you look for (woah)
Turn my sorrow into treasured gold (woah)

You'll pay me back in kind and reap just what you sow (woah)
(You're gonna wish you never had met me)

(Tears are gonna fall, rolling in the deep)

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand

Rolling in the deep

You played it
You played it
played it to the beat”.

Song Lyrics “Turning Tables”

“Close enough to start a war
All that I have is on the floor
God only knows what we're fighting for
All that I say, you always say more

I can't keep up with your turning tables
Under your thumb I can't breathe

So, I won't let you close enough to hurt me
No, I won't rescue you to just desert me
I can't give you the heart you think you gave me

*It's time to say goodbye to turning tables
To turning tables*

*Under haunted skies I see you (ooh)
Where love is lost your ghost is found
I braved a hundred storms to leave you
As hard as you try, no, I will never be knocked down, whoa*

*I can't keep up with your turning tables
Under your thumb I can't breathe*

*So, I won't let you close enough to hurt me,
No, I won't rescue you to just desert me
I can't give you the heart you think you gave me
It's time to say goodbye to turning tables
Turning tables*

*Next time I'll be braver
I'll be my own savior
When the thunder calls for me
Next time I'll be braver
I'll be my own savior
Standing on my own two feet*

*I won't let you close enough to hurt me,
No, I won't rescue you to just desert
I can't give you the heart you think you gave me
It's time to say goodbye to turning tables
To turning tables
Turning tables, yeah
Turning, oh"*
